

# ATTENTION VISITORS AND PUBLIC

**DHR Health is committed to the health and wellbeing of our community.**

In light of the global COVID-19 (Coronavirus) outbreak, we want to reassure everyone that we are working with local, county and state health officials to ensure the safety of everyone we serve.

As such, we are initiating new visitor policies to safeguard patients and staff.

- Effective immediately and until further notice no visitors will be allowed with the exception of 1 visitor per patient per day for pediatric patients and laboring mothers
- Only 1 visitor will be allowed to stay overnight with our pediatric patients and laboring mothers
- All visitors to the hospital will be screened by answering a series of questions about recent travel and current health

Thank you for your cooperation and support.

**DHRHealth**

*For You.*

*For Life.*
